

First Annual Tar River Cleanup

March 20, 2010

When:
11:00 a.m.

Where:
Town Commons
Greenville, NC

EAST CAROLINA
BASS FISHING

The East Carolina University Bass Fishing team presents it's first annual Tar River Cleanup. The day will begin at 11 am, as members congregate at the Town Common's boat ramp and prepare for their departure. The plan is to cover as much water as possible until 3:30 p.m. At 4:00 p.m. everyone will gather back at Town Commons and have a "weigh in." Just like bass fishing tournaments work, the team will weigh the garbage gathered and conclude a total weight.

Contact person: Brad Kimrey 252-671-3181

Sponsor our Event

An opportunity to support our club financially is presented by purchasing a trash bag. Trash bags will be sold for \$20.00 a piece and will display your company logo. Each sponsor will receive sponsorship certificates and is invited to join us at Town Commons for food and refreshments during the weigh in at 4:00 p.m.
